The Magnificent Seven: Projects of Distinction

February proved to be another memorable month as we celebrated being awarded seven more Associated Builders & Contractors (ABC) Projects of Distinction Awards recognizing some of the many exciting projects that we completed over the past year.

This year's winners included Gold Awards for the B-Lux Grill & Bar and the Klondike Slide Tower Replacement at the Wilderness Resort in the Wisconsin Dells, the Sanimax Fire Restoration project in Deforest and the new Nelson True Value in Prairie du Chien.

Friede & Associates also received Silver Awards for Casa de Oakes Senior Housing project, the Reedsburg Country Club and the Reedsburg Municipal Airport Terminal, all located in Reedsburg.

For the fifth year in a row, Friede & Associates also received the "Built on Merit" award for using the most ABC members in a particular project that was submitted for consideration. And, with 15 Projects of Distinction Awards over the last three years, Friede is the most awarded ABC member contractor in the state.

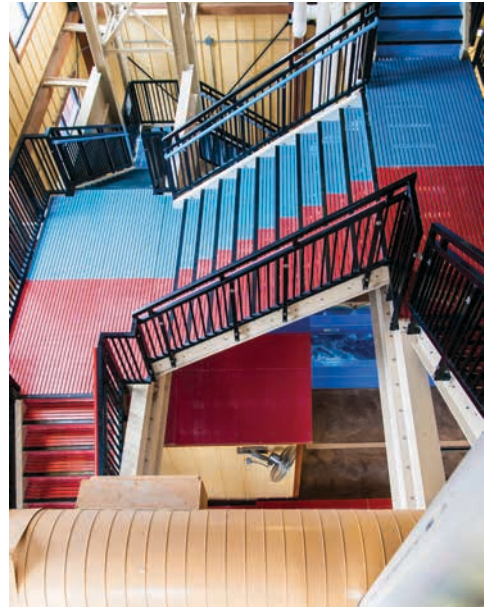

The competition is open to all general and subcontractor members of ABC of Wisconsin. The projects are judged on overall project distinctiveness, execution of design, craftsmanship, coordination, budgeting, safety, difficulty and unusual challenges. Congratulations, Team Friede!

Owners, architects and the Friede Design-Build Team gather together on stage to celebrate "The Magnificent Seven" 2016 ABC of Wisconsin Projects of Distinction Award Winners.
