

Choice Hotels Sleep Inn & Suites

Scope: New Hotel Facility

Location: Oregon, Wisconsin

Designer: Dimension IV Design Group

The newest link in the Choice Hotels Sleep Inn & Suites chain is a 36,000-square-foot, 66-unit hotel featuring six suites with extended-stay kitchenettes. Additionally, the Friede team constructed an indoor and outdoor whirlpool and an indoor pool to enhance guests' stays.

To meet an extremely aggressive construction schedule, the walls were assembled in panels off-site and transferred to the location to be erected in segments. The Friede team completed the project in just eight months, despite losing 23 work days due to bad weather.

This project was recognized by the Associated Builders and Contractors (ABC) of Wisconsin as a 2019 Gold Project of Distinction.
