

Redd's Piano Bar

Scope: Restaurant renovation and new piano bar

Location: Wisconsin Dells, Wisconsin

Designer: Knauer Incorporated

The Friede team returned to Kalahari Resort and Convention Center for the renovation of the Double Cut Charcoal Grill & Liquor Bar—a 6,900-square-foot contemporary, yet casual dining spot and watering hole.

Crews removed the existing bar, flooring, and some of the walls within the restaurant. The team then installed a new bar, a wine walkway, and a completely new space for Redd's Piano Bar—a piano bar and lounge where musicians entertain guests with high-energy performances while mixologists serve up craft cocktails.

The new piano bar features a speakeasy theme with red leather booths and an entry library with vintage books and records. The main entry to Double Cut Charcoal Grill features a 35-foot-long corridor with wine casework on both sides of the hallway where wine bottles are stored from floor to ceiling. Double Cut Charcoal Grill also features a renovated private dining room complete with vines and soft lighting.

This project was recognized by the Associated Builders and Contractors (ABC) of Wisconsin as a 2022 Silver Project of Distinction.
