

Wilderness Resort Boardwalk Restaurants

Scope: New Restaurants

Location: Wisconsin Dells, Wisconsin

Designer: Architectural Design Consultants, Inc.

The 600-acre Wilderness Resort offers its guests a wide variety of dining and entertainment options. In 2014, that included the relocation of a laser tag gaming area from one of the water parks, and the conversion of that space into a casual dining area that includes Yukon Yogurt, a make-your-own yogurt station; Klondike Pizza Kitchen and Klondike Kate's Libation Bar.

While the area provides a casual atmosphere for customers, it also provides a high level of construction finishes. These include a bar structure that features heavy timber columns and extensive woodwork, an attractive brick front to the pizza kitchen, and a wood, tile, and carpeted flooring system that ties the Boardwalk to the adjacent space.
